PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

To Be Held Friday, June 17, 2011

GENERAL INFORMATION AND VOTING RIGHTS

This proxy statement (the Proxy Statement) and the enclosed proxy are furnished in connection with the solicitation of proxies by the Board of Directors of People's Liberation, Inc., a Delaware corporation, for use at the 2011 Annual Meeting of Stockholders (the Annual Meeting) to be held at the Company's offices at 1212 S. Flower St., 5th Floor, Los Angeles, CA 90015 on Friday, June 17, 2011 at 9:00 a.m. Pacific Daylight Time, and any adjournments or postponements thereof. Enclosed with this Proxy Statement is a copy of our Annual Report, which includes our Form 10-K (without exhibits), for the fiscal year ended December 31, 2010. However, the Annual Report is not intended to be a part of this Proxy Statement or a solicitation of proxies. We anticipate that the Proxy Statement and enclosed proxy will first be mailed or given to our stockholders on or about May 18, 2010.

Your vote is important. If your shares are registered in your name, you are a stockholder of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All stockholders can vote by written proxy card. Your submitting the enclosed proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in street name, you must obtain a proxy, executed in your favor, from the holder of record in order to be able to vote at the meeting. If you are a stockholder of record, you may revoke your proxy at any time before the meeting either by filing with the Corporate Secretary of People's Liberation, at our principal executive offices, a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. If you hold your shares in street name, you may change your vote by submitting new voting instructions to your broker, bank or other nominee. You must contact your broker, bank or other nominee to find out how to do so. All shares entitled to vote and represented by properly executed proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy, the shares represented by that proxy will be voted as recommended by the Board of Directors.

Only holders of record of our common stock at the close of business on May 11, 2011 will be entitled to vote at the Annual Meeting on the proposals described in this Proxy Statement. On the record date, there were 36,002,563 shares of common stock outstanding. Each holder of record is entitled to one vote for each share of common stock on all matters to come before the meeting. Stockholders may not cumulate votes in the election of directors.

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the meeting to another time or place in order to solicit additional proxies in favor of the nominees of the Board of Directors, the persons named as proxies and acting thereunder will have discretion to vote on these matters according to their best judgment to the same extent as the person delivering the proxy would be entitled to vote. At the date this proxy statement went to press, we did not know of any other matter to be raised at the Annual Meeting.

The one nominee for election as a Class III director who receives the most votes "for" election will be elected.

Ratification of the appointment of our independent registered public accounting firm will require an affirmative vote of the majority of the shares of common stock present or represented at the Annual Meeting with respect to such proposal.

The presence, in person or by proxy, of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to stockholders and will have the same effect as negative votes, while broker non-votes on a proposal are not counted or deemed present or represented for determining whether stockholders have approved that proposal. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain “non-routine” matters, such as director elections, and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities. Brokers may vote their clients’ shares on routine matters, such as the ratification of our independent registered public accounting firm.

PROPOSAL NO. 1

ELECTION OF DIRECTOR

Our Amended and Restated Certificate of Incorporation provides that the number of directors of the Company shall be fixed from time to time exclusively by the Board of Directors, but shall not be less than two (2) nor more than fifteen (15). The Board of Directors has fixed the number of directors at three (3).

Our Board of Directors is divided into three classes designated Class I, Class II and Class III. Directors hold office for staggered terms of three years. One of the three classes is elected each year to succeed the directors whose terms are expiring.

On July 12, 2010, Kenneth Wengrod resigned as a director. In order to reapportion the number of directors serving as Class I, Class II, and Class III directors, so that each Class of directors is represented as evenly as possible on our Board in accordance with our Amended and Restated Certificate of Incorporation, on February 3, 2011, Colin Dyne resigned as our Class III director, and was reappointed as a Class I director. Following Mr. Dyne's resignation and reappointment, Mr. Dyne serves as the Class I director, Susan White serves as the Class II director, and Dean Oakey serves as the Class III director. The Class I, Class II and Class III directors serve terms that expire in 2012, 2013 and 2011, respectively.

The Board of Directors has nominated Dean Oakey for election at the Annual Meeting to serve as the Class III director. If elected, Mr. Oakey will serve until the Annual Meeting of Stockholders to be held in 2014 or until his successor has been duly elected and qualified or until he has otherwise ceased to serve as a director.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nominee named above. If the nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the proxies will be voted for such other nominee as shall be designated by the then current Board of Directors to fill any vacancy. We have no reason to believe that the nominee will be unable or unwilling to serve if elected as a director.

The principal occupation and certain other information about the nominee and our directors and executive officers are set forth on the following pages.

**The Board of Directors Unanimously Recommends a Vote "FOR"
the Election of the Nominee Listed Above.**

Dean Oakey is a nominee for election at the 2011 Annual Meeting and has served as a director since November 22, 2005. Mr. Oakey was selected to become a director of the company due to his knowledge of the apparel industry and his experience as an investment banking professional. Mr. Oakey has held this position since April 2009. From June 1997 to April 2009, Mr. Oakey served as the Managing Director of Investment Banking for SMH Capital, Corp., an investment banking firm. In this capacity, Mr. Oakey was responsible for business development and management duties, with a focus on the consumer products and services industries.

Mr. Chow had previously served as Tarrant Apparel Group's Chief Financial Officer and as a director of the company from January 2002 through August 2004 and rejoined as their Senior Vice President, Finance in March, 2007. From August 2004 until April 2005, Mr. Chow was a consultant for Tarrant Apparel Group and other companies, providing financial and accounting services. She holds a Bachelor of Arts in History and Spanish from the University of California at Berkeley and an MBA from UCLA's Anderson School of Business.

Additional Information Concerning our Board of Directors

Meetings and Committees. The Board of Directors held seven general meetings during 2010. The Board of Directors also acted on five occasions by unanimous written consent during 2010. Each current director, while serving as a director, attended at least 75% of all the meetings of the Board of Directors, except for Susan White, who attended approximately 70% of all meetings. While we have not established a policy with respect to members of the Board of Directors attending annual meetings, directors are generally in attendance at the annual meeting of stockholders. Our 2010 annual meeting of stockholders was attended by three out of the four directors then serving: Colin Dyne, Dean Oakey and Kenneth Wengrod.

Our Board of Directors is divided into three classes designated Class I, Class II and Class III. Directors hold office for staggered terms of three years. One of the three classes is elected each year to succeed the directors whose terms are expiring.

Currently, our Board of Directors consists of three members: Colin Dyne (our Chief Executive Officer), Dean Oakey and Susan White. On July 12, 2010, Kenneth Wengrod resigned as a director. In order to reapportion the number of directors serving as Class I, Class II, and Class III directors, so that each Class of directors is represented as evenly as possible on our Board in accordance with our Amended and Restated Certificate of Incorporation, on February 3, 2011, Colin Dyne resigned as our Class III director, and was reappointed as a Class I director. Following Mr. Dyne's resignation and reappointment, Mr. Dyne serves as the Class I director, Susan White serves as the Class II director, and Dean Oakey serves as the Class III director. The Class I, Class II and Class III directors serve terms that expire in 2012, 2013 and 2011, respectively.

We do not have a separately designated audit, compensation or nominating committee of our Board of Directors and the functions customarily delegated to these committees are performed by our full Board of Directors. We are not a "listed company" under SEC rules and are therefore not required to have separate committees comprised of independent directors. We have, however, determined that of our four directors who served during our last completed fiscal year, Susan White and Dean Oakey were "independent" as that term is defined in Section 5605 of the NASDAQ Listing Rules as required by the NASDAQ Stock Market. As we do not maintain an audit committee, we do not have an audit committee "financial expert" within the meaning of Item 407(d) of Regulation S-K.

We may establish an audit committee, compensation committee, and nominating and corporate governance committee upon the expansion of our board to include at least three directors who are independent under the applicable rules of the SEC and NASDAQ.

The functions customarily delegated to a nominating committee are performed by our full Board of Directors. Our full Board of Directors reviews those Board members who are candidates for re-election to our Board of Directors, and makes the determination to nominate a candidate who is a current member of the Board of Directors for re-election for the next term. The Board's methods for identifying candidates for election to the Board of Directors (other than those proposed by our stockholders, as discussed below) include the solicitation of ideas for possible candidates from a number of sources, including existing members of the Board of Directors; our executives; individuals personally known to the members of the Board of Directors; and other research. We may also from time to time retain one or more third-party search firms to identify suitable candidates. The Board also nominates outside candidates for inclusion on the Board of Directors. The diversity of the background of an individual and their field of expertise is a consideration for membership on our Board. We consider diversity broadly to include differences of viewpoint, professional experience, individual characteristics, qualities and skills resulting in the ability for naturally varying perspectives among our Board of Directors while simultaneously providing skills that complement our full Board so that the Board, as a unit, possesses the appropriate skills and experience to oversee our business.

A People's Liberation stockholder may nominate one or more persons for election as a director at an annual meeting of stockholders if the stockholder complies with the notice, information and consent provisions contained in our Bylaws. In addition, the notice must be made in writing and set forth as to each proposed nominee who is not an incumbent Director (i) their name, age, business address and, if known, residence address, (ii) their principal occupation or employment, (iii) the number of shares of stock of the company beneficially owned and (iv) any other information concerning the nominee that must be disclosed respecting nominees in proxy solicitations pursuant to Rule 14(a) of the Exchange Act of 1934. The recommendation should be addressed to our Secretary.

Among other matters, our full Board of Directors which serves as the nominating and governance committee:

- Reviews the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of People's Liberation and the Board;
- Conducts candidate searches, interviews prospective candidates and conducts programs to introduce candidates to our management and operations, and confirms the appropriate level of interest of such candidates;
- Recommends qualified candidates who bring the background, knowledge, experience, independence, skill sets and expertise that would strengthen and increase the diversity of the Board; and
- Conducts appropriate inquiries into the background and qualifications of potential nominees.

Based on the foregoing, the Board of Directors nominated Dean Oakey for re-election as a Class III member of the Board of Directors, subject to stockholder approval, for a three-year term ending on or around the date of the 2014 Annual Meeting of Stockholders.

Board Leadership Structure.

Colin Dyne is currently the Chairman of our Board of Directors and our Chief Executive Officer. Our Board believes that this leadership structure provides the most efficient and effective leadership model for our company by enhancing the ability of the Chairman and Chief Executive Officer to provide clear insight and direction of business strategies and plans to both the Board and management. The Board believes that it can most effectively perform its monitoring and oversight role by acting as a unified whole, with the Chairman also being a member of the management team, and that the advantages of having a CEO Chairman with extensive knowledge of our company (as compared to a relatively less informed independent Chairman) outweigh potential disadvantages. A single person, acting in the capacities of Chairman and Chief Executive Officer, provides unified leadership and focus.

Board Oversight of Risk Management.

Our Board of Directors has responsibility for the oversight of risk management. A fundamental part of risk management is not only understanding the risks the company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for our company. The involvement of our Board of Directors in setting our business strategy is a key part of its assessment of risk management and the determination of what constitutes an appropriate level of risk for our company. Our Board discusses with management the company's major risk exposures, their potential impact on our company and the steps taken to manage these risks. In addition, our Board may retain, on such terms as determined by the Board, in its sole discretion, independent legal, financial and other consultants and advisors to advise and assist the Board in fulfilling its oversight responsibilities.

Compensation of Directors and Officers. Our full Board of Directors determines the compensation to be paid to our officers and directors, with recommendations from management as to the amount and/or form of such compensation. While our Board may utilize the services of consultants in determining or recommending the amount or form of executive and director compensation, we do not at this time employ consultants for this purpose.

Code of Ethics. We have adopted a Code of Ethics applicable to all of our Board members and to all of our employees, including our Chief Executive Officer, Chief Financial Officer and Executive Vice President of Branding and Licensing. The Code of Ethics constitutes a "code of ethics" as defined by applicable SEC rules and a "code of conduct" as defined by applicable NASDAQ rules. The Code of Ethics has been publicly filed with the SEC as an exhibit to our Annual Report on Form 10-K. Our code of ethics is posted on our Internet website located at www.pplbusa.com in the section titled "Investor Relations--Corporate Governance." You may also request a copy of the Code of Ethics by writing or calling us at:

People's Liberation, Inc.

Attn: Investor Relations
1212 S. Flower Street, 5th Floor
Los Angeles, CA 90015
(213) 745-2123

Any waiver of the Code of Ethics pertaining to a member of our Board or one of our executive officers will be disclosed in a report on Form 8-K filed with the SEC.

Section 16(a) Beneficial Ownership Reporting Compliance. Section 16(a) of the Securities Exchange Act of 1934 requires that our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent stockholders are required by SEC regulations to furnish us with all Section 16(a) forms they file. Based solely on our review of the copies of the forms received by us and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that, during the year ended December 31, 2010, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements, except for the filing of one late report on Form 4 reporting late one transaction by Dean Oakley.

Certain Relationships and Related Transactions

Review and Approval of Related Party Transactions. We have adopted a Code of Ethics that applies to all employees and directors of the company. This Code of Ethics requires that all of our employees and directors avoid engaging in activities that give rise to conflicts of interest, including engaging in any transactions with the company, without first obtaining a waiver. Executive officers and directors are required to obtain such a waiver from our Board of Directors or an appropriate committee of our Board. There were no instances during 2010 in which an executive officer or director engaged in a related party transaction with the company without first obtaining a waiver as required under our Code of Ethics.

Reportable Related Party Transactions. Other than the employment arrangements described elsewhere in this proxy statement and the transactions described below, since January 1, 2009, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or will be a party:

- in which the amount involved exceeds \$120,000; and
- in which any director, director nominee, executive officer, stockholder who beneficially owns 5% or more of our common stock or any member of their immediate family had or will have a direct or indirect material interest.

Colin Dyne, our Chief Executive Officer and a director of the company served as Vice Chairman of the Board of Directors of Talon International, Inc. (OTCBB: TALN), owner of Talon zippers, until July 2010. Mr. Dyne founded Tag-It, Inc., a subsidiary of Talon, in 1991. Mr. Dyne served as Talon's President from inception and as its Chief Executive Officer from 1997 to 2005. During the years ended December 31, 2010 and 2009, we purchased trim products from Talon amounting to approximately \$123,000 and \$219,000, respectively.

On August 13, 2010, our subsidiary, William Rast Licensing, entered into a promissory note in the amount of \$750,000 with Mobility Special Situations I, LLC ("Mobility"), an entity owned in part by Mark Dyne, the brother of our Chief Executive Officer, Colin Dyne, and New Media Retail Concepts, LLC, an entity owned by Gerard Guez, a significant beneficial owner of our common stock. The promissory note bears interest at 8%, payable monthly in arrears, and is due February 13, 2012. The promissory note is secured by the assets of William Rast Licensing and is guaranteed by our other entities under common control, including People's Liberation, Inc., William Rast Sourcing, LLC, William Rast Retail, LLC, Bella Rose, LLC and Versatile Entertainment, Inc.

In connection with the promissory note discussed above, we also entered into an asset purchase agreement with New Media Retail Concepts, LLC and ECA Holdings II, LLC, an entity affiliated with Mark Dyne, on August 13, 2010. In exchange for \$750,000 cash, we sold 50% of any future net proceeds, after legal fees and expenses, that we may receive as a result of our litigation with Charlotte Russe. We were not required to repay the \$750,000 cash proceeds received from the asset purchase agreement regardless of a favorable or unfavorable outcome of the Charlotte Russe litigation. New Media Retail Concepts, LLC and ECA Holdings II, LLC each received from Charlotte Russe, in respect to the interest they acquired in the litigation, a portion of the settlement amount paid by Charlotte Russe pursuant to the settlement agreement entered into by all parties to the litigation on February 3, 2011.

In May 2010, our subsidiary, William Rast Sourcing, LLC, entered into a design and licensing agreement with the Target Corporation. During the year ended December 31, 2010, Target made a direct payment of \$250,000 to Justin Timberlake, a minority interest holder of William Rast Sourcing, on our behalf for his services related to the Target agreement.

Kenneth Wengrod, a former member of our Board of Directors, currently serves as President of FTC Commercial Corp., a company which he founded in 2002 and in which he continues to hold a minority equity position. We were party to factoring agreements with FTC pursuant to which FTC purchased a substantial portion of the Company's trade accounts receivable and assumed the credit risk with respect to certain accounts. The factoring agreements also permitted us to borrow against approved factored customer invoices as well as against eligible inventory. As of December 31, 2010 and 2009, total factored accounts receivable with FTC amounted to approximately \$92,000 and \$4.1 million, respectively. Net outstanding advances amounted to approximately \$43,000 and \$3.7 million as of December 31, 2010 and 2009, respectively. Mr. Wengrod resigned from our Board of Directors on July 12, 2010.

Effective April 1, 2009, we entered into a consulting agreement with Innovative Brand Solutions LLC, an entity owned by our director, Susan White. The agreement provided that Ms. White was to provide marketing and branding services on our behalf and receive a monthly payment of \$10,000 for a period of one year ending April 1, 2010. During the years ended December 31, 2010 and 2009, we paid Ms. White approximately \$20,000 and \$96,980, respectively, for marketing and branding services provided to the company.

Narrative Disclosure to Summary Compensation Table

We do not have a separate compensation committee and therefore, our executive compensation program is administered by our Board of Directors. The Board is responsible for, among other functions, administering our stock incentive plan, and negotiating, reviewing and awarding the annual salary, bonus, stock options and other benefits of our executive officers.

Compensation Philosophy

The objectives of our executive compensation program include the following:

- *Alignment* – to align the interests of executives and shareholders through equity-based compensation awards;
- *Retention* – to attract, retain and motivate highly qualified, high performing executives to lead our growth; and
- *Performance* – to provide rewards that are dependent upon the executive's achievements and company performance.

Compensation Elements

We compensate senior executives through a variety of components, including base salary, annual incentives, equity incentives, and benefits and perquisites, in order to provide our executives with an overall compensation package which we believe is competitive. The mix and value of these components are impacted by a variety of factors, such as negotiations of an executive with us, the executive's position within the company, and the overall performance of the company and the individual. The purpose and key characteristics for each component are described below.

Base Salary

Base salary provides executives with a steady income stream and is based upon the executive's level of responsibility, experience, individual performance and contributions to our overall success.

Annual Incentive Bonuses

Annual incentive bonuses are a variable performance-based component of compensation. The primary objective of an annual incentive bonus is to align a portion of total pay opportunities for executives to the attainment of our company's performance goals, as well as performance goals of the individual.

Equity Incentives

Equity incentives are intended to align senior executive and shareholder interests by linking a portion of executive pay to long-term shareholder value creation and financial success over a multi-year period. Equity incentives are also provided to our executives to attract and enhance the retention of executives and other key employees and to facilitate stock ownership by our senior executives. The Board considers individual and company performance when determining long-term incentive opportunities.

Health & Welfare Benefits

The named executive officers participate in a variety of retirement, health and welfare, and paid time-off benefits designed to enable us to attract and retain our workforce in a competitive marketplace. Health and welfare and paid time-off benefits help ensure that we have a productive and focused workforce.

Severance and Change of Control Arrangements

We do not have a formal plan for severance or separation pay for our employees and officers, with the exception of Andrea Sobel (as further described below). In the future, we may include severance provisions in employment agreements of our executive officers that could be triggered in the event of involuntary termination without cause or in the event of a change in control.

Other Benefits

In order to attract and retain highly qualified executives, we provide some of our named executive officers with automobile allowances that we believe are consistent with current market practices. Our executives also may participate in our 401(k) plan.

Process for Setting Executive Compensation

When making pay determinations for named executive officers, the Board may consider factors including: (1) actual company performance as compared to pre-established goals, (2) individual executive performance and expected contribution to our future success, (3) changes in economic conditions and the external marketplace and (4) the recommendation of our Chief Executive Officer. The Board may also consider compensation information from data gathered from annual reports and proxy statements from companies that the Board generally considers comparable to our company. Ultimately, our Board uses its judgment when determining how much to pay our executive officers and attempts to set the pay for our executive officers at levels that it believes are competitive and necessary to attract and retain talented executives capable of achieving our long-term objectives.

Compensation for Fiscal Year Ended December 31, 2010

In the fiscal year ended December 31, 2010, we compensated our executive officers through base salary and perquisites, which consisted of medical and disability insurance and car allowances and expenses.

As of January 1, 2009, the annual salaries of Colin Dyne, Darryn Barber, Tom Niels and Andrea Sobel were \$395,000, \$275,000, \$235,000 and \$200,000, respectively. Effective as of February 1, 2009, the Board, in consultation with our Chief Executive Officer and Chief Financial Officer, resolved to temporarily reduce the base salaries of each of our named executive officers by 10% through April 30, 2009. The reduction in salary was made to improve our future operating cash flow in view of the current economic conditions prevailing at the time. The temporary base salary reduction continued beyond the April 30, 2009 date contemplated by the Board in February 2009 and resulted in a base salary reduction through December 20, 2009. On December 21, 2009, the Board approved a reversal of the base salary reduction and each of our executive officers was paid a lump-sum amount to equal their respective base salary in effect prior to the salary reduction of February 1, 2009. The reversal of the salary reduction was made to retain and motivate our executives to lead and grow our company. Throughout 2010, Colin Dyne, Darryn Barber, Tom Niels and Andrea Sobel earned base salaries of \$395,000, \$275,000, \$235,000 and \$200,000, respectively.

On December 21, 2009, the Board approved a reversal of the base salary reduction and Mr. Nields was paid a lump-sum amount of \$21,538 to equal his base salary of \$235,000 in effect prior to the salary reduction of February 1, 2009. During the first year of her employment, Ms. Sobel was entitled to a bonus in the amount of three percent (3%) of license royalties received by the company. There were no license royalties received by the company during the first year of Ms. Sobel's employment. The employment agreement also provides that Ms. Sobel will receive all operative employee compensation, fringe benefits and perquisites and welfare plans or arrangements of the company then in effect from time to time and in which similarly situated executive officers of the company generally are entitled to participate. If at any time prior to May 16, 2011, we terminate Ms. Sobel's employment without cause and Ms. Sobel delivers to us a signed settlement agreement and general release, we will pay Ms. Sobel the equivalent of six months base salary, at her then current rate of pay. However, when a director is elected or appointed to our Board, we generally follow a practice of granting an option to such director to purchase up to 30,000 shares of our common stock, with the size of the option grant being determined based on the number of months the new director will serve as a director in the fiscal year in which the option grant is awarded. Thereafter, we generally issue annual option grants to all non-employee directors to purchase up to 48,000 shares. In June 2010, there were no option grants to our non-employee directors, Mr. Oakey, Ms. White and Mr. Wengrod.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Board of Directors has appointed Weinberg and Company as our independent auditors for the fiscal year ending December 31, 2011. As a matter of good corporate governance, the Board of Directors has decided to submit its selection of the independent audit firm to our stockholders for ratification. If the selection of Weinberg and Company is not ratified by the majority of the shares of common stock present or represented at the Annual Meeting and entitled to vote on the matter, the Board of Directors will review its future selection of an independent registered public accounting firm in the light of that vote result. Weinberg and Company has no financial interest of any kind in People's Liberation, except the professional relationship between auditor and client. Representatives of Weinberg and Company will be invited to attend the Annual Meeting. If a representative of Weinberg and Company does attend the Annual Meeting, the representative will have an opportunity to make a statement if he or she so chooses, and will be available to respond to questions from stockholders.

Change in Independent Auditor

On April 21, 2011, our Board of Directors approved the engagement of Weinberg and Company ("Weinberg") as the Company's new independent registered public accounting firm and on April 22, 2011, Crowe Horwath LLP ("Crowe") was dismissed as our independent registered public accounting firm. Prior to their dismissal, Crowe had served as our independent registered public accounting firm since February 2009.

During our most two recent fiscal years ended December 31, 2010 and 2009 and through April 21, 2011, we did not consult with Weinberg on (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that may be rendered on our financial statements, and Weinberg did not provide either a written report or oral advice to us that Weinberg concluded was an important factor considered by us in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) the subject of any disagreement, as defined in Item 304 (a)(1)(iv) of Regulation S-K and the related instructions, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Information Pertaining to Crowe Horwath, LLP

The audit reports of Crowe on the financial statements of the Company as of and for the fiscal years ended December 31, 2010 and 2009 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

In connection with the audits of our financial statements for the fiscal years ended December 31, 2010 and 2009 and through April 21, 2011, there were: (i) no disagreements between the Company and Crowe on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Crowe, would have caused Crowe to make reference to the subject matter of the disagreement in their reports on our financial statements for such fiscal years, and (ii) no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

Information Pertaining to Grobstein Horwath & Company LLP

In February 2009, our Board of Directors approved the engagement of Crowe as our new independent registered public accounting firm. The appointment of Crowe was made as a result of the personnel of Grobstein Horwath & Company LLP (“GHC”) joining Crowe and subsequently notifying us that the GHC legal entity will no longer serve as our independent registered public accounting firm. GHC resigned as our independent registered public accounting firm in February 2009. Prior to their resignation, GHC had served as our independent registered public accounting firm since November 2005.

The audit reports of GHC on our financial statements as of and for the fiscal years ended December 31, 2007 and 2006 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2007 and 2006 and through February 20, 2009, we did not consult with Crowe on (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that may be rendered on our financial statements, and Crowe did not provide either a written report or oral advice to us that Crowe concluded was an important factor considered by us in reaching a decision as to any accounting, auditing, or financial reporting issue; or (ii) the subject of any disagreement, as defined in Item 304 (a)(1)(iv) of Regulation S-K and the related instructions, or a reportable event within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

In connection with the audits of our financial statements for the fiscal years ended December 31, 2007 and 2006 and through February 20, 2009, there were: (i) no disagreements between us and GHC on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of GHC, would have caused GHC to make reference to the subject matter of the disagreement in their reports on our financial statements for such fiscal years, and (ii) no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

We provided GHC a copy of the disclosures contained in our Current Report on Form 8-K filed with the Securities and Exchange Commission on February 24, 2009 and requested that GHC furnish us with a letter addressed to the Securities and Exchange Commission stating whether or not GHC agrees with our statements in the 8-K.
