COLIN DYNE, CHAIRMAN OF THE BOARD
AND CHIEF EXECUTIVE OFFICER
These Proxy materials are delivered in connection with the solicitation by the Board of Directors of People's Liberation, Inc., a Delaware corporation ("People's Liberation", the "Company", "we", or "us"), of Proxies to be voted at our 2008 Annual Meeting of Stockholders and at any adjournments or postponements.

You are invited to attend our Annual Meeting of Stockholders on Friday, June 13, 2008, beginning at 9:00 a.m. Pacific Time. The meeting will be held at Sheraton Los Angeles Downtown, 711 Hope Street, Los Angeles, CA 90017.

It is anticipated that the 2007 Annual Report and this Proxy Statement and the accompanying Proxy will be mailed to stockholders on or about May 10, 2008.

STOCKHOLDERS ENTITLED TO VOTE. Holders of our common stock at the close of business on April 21, 2008 are entitled to receive this notice and to vote their shares at the Annual Meeting. As of April 21, 2008, there were 36,002,563 shares of common stock outstanding, our only class of voting securities.

PROXIES. Your vote is important. If your shares are registered in your name, you are a stockholder of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All stockholders can vote by written Proxy card. Your submission of the enclosed Proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. IF YOUR SHARES ARE HELD IN STREET NAME, YOU MUST OBTAIN A PROXY, EXECUTED IN YOUR FAVOR, FROM THE HOLDER OF RECORD IN ORDER TO BE ABLE TO VOTE AT THE MEETING. If you are a stockholder of record, you may revoke your Proxy at any time before the meeting either by filing with the Secretary of the Company, at its principal executive offices, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy will be voted as recommended by the Board of Directors.

QUORUM. The presence, in person or by Proxy, of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities.

VOTING. Each share of our common stock is entitled to one vote on each matter properly brought before the meeting. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to stockholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.
VOTE REQUIRED.

(i) ELECTION OF DIRECTORS. Our Amended and Restated Certificate of Incorporation, as amended, does not authorize cumulative voting. In the election of directors, the four candidates receiving the highest number of votes at the Annual Meeting will be elected. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

(ii) AMENDMENTS TO AMENDED AND RESTATED CERTIFICATE OF INCORPORATION. The affirmative vote of the holders of eighty percent (80%) of our outstanding shares, in person or by proxy, will be required to approve the proposed amendment to our Amended and Restated Certificate of Incorporation to eliminate Articles Sixth and Eighth, and amend Article Seventh.

(iii) AMENDMENTS TO 2005 STOCK INCENTIVE PLAN. The affirmative vote of a majority of the votes cast, in person or by proxy, will be required to amend the 2005 Stock Incentive Plan to increase the number of shares reserved for issuance thereunder to 5,500,000.

OTHER MATTERS. At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

In the event a stockholder proposal was not submitted to us prior to the date of this Proxy Statement, the enclosed Proxy will confer authority on the Proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the Meeting. As of the date hereof, no stockholder proposal has been submitted to us, and management is not aware of any other matters to be presented for action at the Meeting. However, if any other matters properly come before the Meeting, the Proxies solicited hereby will be voted by the Proxyholders in accordance with the recommendations of the Board of Directors. Such authorization includes authority to appoint a substitute nominee for any Board of Directors' nominee identified herein where death, illness or other circumstance arises which prevents such nominee from serving in such position and to vote such Proxy for such substitute nominee.
Item 1: ELECTION OF DIRECTORS

Item 1 is the election of four (4) directors to hold office for a period of one year or until their respective successors have been duly elected and qualified. Our Amended and Restated Certificate of Incorporation provides that the number of directors of the Company shall be fixed from time to time exclusively by the Board of Directors, but shall not be less than two (2) nor more than fifteen (15). The Board of Directors has fixed the number of directors at four (4).

Unless otherwise instructed, the Proxy holders will vote the Proxies received by them for the nominees named below. If any nominee is unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the then current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

The Board of Directors proposes the election of the following nominees as directors:

- Colin Dyne
- Dean Oakey
- Kenneth Wengrod
- Susan White

If elected, the foregoing four nominees are expected to serve until the 2009 Annual Meeting of Stockholders.

The principal occupation and certain other information about the nominees and certain executive officers are set forth on the following pages.

The Board of Directors unanimously recommends a vote "FOR" the election of the nominees listed above.
The following table sets forth the name, age and position of each of our current directors, who also constitute the nominees for election at the Annual Meeting, and our executive officers as of April 21, 2008.

FURTHER INFORMATION CONCERNING THE BOARD OF DIRECTORS

MEETINGS AND COMMITTEES. The Board of Directors held thirteen meetings during fiscal 2007. All directors then serving attended 75% or more of all of the meetings of the Board of Directors in fiscal 2007. While directors generally attend annual stockholder meetings, the Company has not established a specific policy with respect to members of the Board of Directors attending annual stockholder meetings. Last year's annual meeting was attended by three directors.

Our board of directors currently consists of four members: Colin Dyne (our Chief Executive Officer), Dean Oakey, Susan White and Kenneth Wengrod. Each of Colin Dyne, Dean Oakey and Susan White were elected at a meeting of shareholders and will serve until our next annual meeting or until his or her successor is duly elected and qualified. Kenneth Wengrod was appointed to our Board of Directors on September 21, 2007 to fill a vacancy created upon the expansion in the size of our Board from five directors to six directors on the same date. Mr. Wengrod will serve until our next annual meeting or until his successor is duly elected and qualified.

We do not have a separately designated audit, compensation or nominating committee of our board of directors and the functions customarily delegated to these committees are performed by our full board of directors. We are not a "listed company" under SEC rules and are therefore not required to have separate committees comprised of independent directors. We have, however, determined that neither Mr. Wengrod nor Mr. Oakey are "independent" as that term is defined in Section 4200 of the Marketplace Rules as required by the NASDAQ Stock Market. In addition, we have determined that Susan White is "independent," and that Troy Carter, prior to his resignation as a director on April 2, 2008 was "independent", in accordance with the aforementioned definition. As we do not maintain an audit committee, we do not have an audit committee "financial expert" within the meaning of Item 407(d) of Regulation S-K.

We intend to establish an audit committee, compensation committee, and nominating and corporate governance committee upon the expansion of our board to include at least three directors who are independent under the applicable rules of the SEC and NASDAQ.
The functions customarily delegated to the nominating committee are performed by our full board of directors. Our full board of directors reviews those Board members who are candidates for re-election to our Board of Directors, and makes the determination to nominate a candidate who is a current member of the Board of Directors for re-election for the next term. The Board's methods for identifying candidates for election to the Board of Directors (other than those proposed by our stockholders, as discussed below) include the solicitation of ideas for possible candidates from a number of sources—members of the Board of Directors; our executives; individuals personally known to the members of the Board of Directors; and other research. We may also from time to time retain one or more third-party search firms to identify suitable candidates. The Board also nominates outside candidates for inclusion on the Board of Directors.

A People's Liberation stockholder may nominate one or more persons for election as a director at an annual meeting of stockholders if the stockholder complies with the notice, information and consent provisions contained in our Bylaws. In addition, the notice must be made in writing and set forth as to each proposed nominee who is not an incumbent Director (i) their name, age, business address and, if known, residence address, (ii) their principal occupation or employment, (iii) the number of shares of stock of the Company beneficially owned and (iv) any other information concerning the nominee that must be disclosed respecting nominees in proxy solicitations pursuant to Rule 14(a) of the Exchange Act of 1934. The recommendation should be addressed to our Secretary.

Among other matters, our full board of directors which serves as the nominating and governance committee:

- Reviews the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of People's Liberation and the Board;
- Conducts candidate searches, interviews prospective candidates and conducts programs to introduce candidates to our management and operations, and confirms the appropriate level of interest of such candidates;
- Recommends qualified candidates who bring the background, knowledge, experience, independence, skill sets and expertise that would strengthen and increase the diversity of the Board; and
- Conducts appropriate inquiries into the background and qualifications of potential nominees.

Based on the foregoing, the Board of Directors nominated Colin Dyne, Dean Oakey, Susan White and Kenneth Wengrod for re-election as directors on the Board of Directors, subject to stockholder approval, for a one-year term ending on or around the date of the 2009 Annual Meeting of Stockholders.

COMPENSATION OF DIRECTORS AND OFFICERS. Our full board of directors determines the compensation to be paid to our officers and directors, with recommendations from management as to the amount and/or form of such compensation. While our board may utilize the services of consultants in determining or recommending the amount or form of executive and director compensation, the corporation does not at this time employ consultants for this purpose.

STOCKHOLDER COMMUNICATIONS. Holders of the Company's securities can send communications to the Board of Directors via email to BOARD@PEOPLESLIB.COM or by telephoning the Secretary at the Company's principal executive offices, who will then relay the communications to the Board of Directors.

CODE OF ETHICS. We have adopted a Code of Ethical Conduct that is applicable to all of our officers, directors and employees, including our principal executive officer, principal financial officer,

NARRATIVE DISCLOSURE TO SUMMARY COMPENSATION TABLE

In the fiscal year ended December 31, 2007, we compensated our executive officers through a combination of a base salary, a cash bonus, and options to purchase shares of our common stock. In addition, we provided other perquisites to some of our executive officers, which consisted of medical and disability insurance, and car expenses and allowances.

In the second quarter of 2007, we undertook a restructuring of our senior management team. The restructuring was designed to improve the financial performance of the company and included the appointment of a new Chief Executive Officer, Colin Dyne, at a compensation level that we believe is below typical market conditions for similar companies. In order to further improve our operating cash flow, we reduced the cash compensation paid to our other senior executives, including a reduction of the base salary of our former Chief Executive Officer, Daniel Guez, and the reduction of the base salaries of our Chief Financial Officer and Chief Operating Officer. We also terminated our President, and eliminated the President position within the company.

In 2007, we granted Mr. Barber options to purchase an aggregate of 700,000 shares of our common stock and Mr. Nields options to purchase an aggregate of 250,000 shares of our common stock. These option grants were intended to provide non-cash incentives to the executives to maximize shareholder value. The bonuses paid to our senior management team in the fiscal year ended December 31, 2007 were generally low, and were determined by our Board of Directors based on the performance of the company and the executive officer.

EMPLOYMENT AGREEMENTS AND TERMINATION OF EMPLOYMENT

COLIN DYNE

On May 21, 2007, our Board of Directors appointed Colin Dyne as our Chief Executive Officer and Co-Chairman of the Board of Directors. During 2007 and through March 31, 2008, Mr. Dyne received an annual salary of $200,000, which was paid in accordance with our standard payroll practices, and an auto allowance of $1,200 per month. Effective April 1, 2008, Mr. Dyne's base salary was increased to $395,000 per annum, with an auto allowance of $2,000 per month. Mr. Dyne's annual bonus amounted to $30,000 for the year ended December 31, 2007.

DANIEL GUEZ

On October 2, 2007, Daniel Guez, who was serving as our Creative Director, resigned from his position with us. In connection with Mr. Guez's resignation, we entered into a separation agreement and mutual release with Mr. Guez. The separation agreement provided that the certain amended and restated employment agreement dated June 19, 2007 between us and Mr. Guez (which is further described below) be terminated and of no further force or effect, and that except as provided in the separation agreement, all responsibilities, duties and obligations of Mr. Guez to us and of us to Mr. Guez under the employment agreement are terminated and of no further force or effect. The separation agreement provided that we pay Mr. Guez three months of his base salary of $16,667 per month, and three months of his automobile allowance of $1,200 per month. In addition, Mr. Guez and his eligible family members will continue to receive medical benefits for a period of twelve months from the date of his resignation.
On May 21, 2007, Daniel Guez resigned as our Chief Executive Officer. On June 19, 2007, the Company entered into an Amended and Restated Employment Agreement with Daniel Guez, which amended and restated the employment agreement entered into between us and Mr. Guez on January 12, 2007, as modified and supplemented by that certain addendum entered into as of May 21, 2007. Pursuant to the Amended and Restated Employment Agreement, Mr. Guez served as the Co-Chairman of our Board of Directors (until his resignation from this position on October 12, 2007), and continued to serve as our Creative Director. The Amended and Restated Employment Agreement was for an initial term of three years beginning January 12, 2007 and was to be automatically extended for additional one year terms unless we or Mr. Guez elected not to extend the term of the Amended and Restated Employment Agreement. Effective July 1, 2007, under the Amended and Restated Employment Agreement, Mr. Guez received a base salary of $200,000 per annum, subject to upward adjustment and an automobile allowance of $1,200 per month, inclusive of insurance, gas, and maintenance on Mr. Guez's vehicle.

The agreement provided that if during the employment period we terminated Mr. Guez's employment without cause or if Mr. Guez terminated his employment for good reason, Mr. Guez would be paid $600,000 in severance. Alternatively, if we failed to extend the period of the employment period as provided above, and at any time within six months following expiration of the employment period, we terminated Mr. Guez's employment without cause or Mr. Guez terminated his employment for good reason or without good reason, Mr. Guez would be paid $300,000 in severance. In addition to the applicable severance amount payable to Mr. Guez as provided above, if Mr. Guez's employment was terminated for any of the reasons set forth in this paragraph, the employment agreement provided that all of Mr. Guez's outstanding stock options, restricted stock and other equity awards would accelerate and become fully vested on the date of termination.

The employment agreement also provided that if Mr. Guez's employment was terminated by reason of his death or disability during the employment period, Mr. Guez, his estate or beneficiaries, as applicable, would be entitled to be paid a lump sum payment of $400,000, and all outstanding stock options, restricted stock and other equity awards granted to Mr. Guez would accelerate and become fully vested on the date of termination. In addition, the employment agreement provided that for a period of 18 months following the date of termination, the Company would continue to provide Mr. Guez and his eligible family members with group health insurance coverage. The Amended and Restated Employment Agreement did not include any contractual bonus provisions.

Mr. Guez's original employment agreement with us entered into on January 12, 2007, provided that Mr. Guez would serve as our Chief Executive Officer and/or Creative Director, and Chairman of our Board of Directors. The agreement was for the same duration as the amended and restated employment agreement described above. However, under the original agreement, Mr. Guez received the following compensation:

- Base salary of $400,000 per annum, subject to upward adjustment;
- Annual performance bonus in the amount equal to the sum of (i) ten percent (10%) of the first three million dollars ($3,000,000) of the Company's consolidated EBITDA for such fiscal year, and (ii) five percent (5%) of the amount of the Company's consolidated EBITDA, if any, in excess of three million dollars ($3,000,000) for such fiscal year; and
- Automobile and related expense allowance of $2,300 per month.

The Board of Directors has approved an Amended and Restated Certificate of Incorporation (the "Restated Certificate") which amends and restates our Certificate of Incorporation to eliminate Article Sixth and Article Eighth thereof, and amends Article Seventh to eliminate reference to Article Sixth and Article Eighth. Stockholders are now being asked to approve the elimination of Article Sixth and Article Eighth of our Certificate of Incorporation, and the amendment to Article Seventh. The text of the Restated Certificate is attached to this proxy statement as Appendix A.

Article Sixth and Article Eighth are measures which limit a 5% or greater shareholder from engaging in certain transactions with the company without first obtaining the approval of at least 80% of our outstanding voting securities. The elimination of Article Sixth and Article Eighth will remove significant restrictions on our ability to engage in a multitude of transactions with existing and future stockholders of the company, including transactions that our Board of Directors have determined are in the best interests of the company and our stockholders. The Board believes that eliminating these restrictions will increase the value of the company by, among other things, increasing the attractiveness of the company to potential third-party acquirers, and to investors who desire to hold greater than 5% of our outstanding common stock.

DESCRIPTION OF ARTICLE SIXTH

Article Sixth of our Certificate of Incorporation provides that before we may engage in certain transactions with an "Interested Stockholder", we must first obtain the super-majority approval of the transaction by holders of at least 80% or our outstanding voting securities. An "Interested Stockholder" includes any corporation, person or entity that beneficially owns or controls, directly or indirectly, five percent or more of our outstanding voting securities.

The following transactions ("Restricted Transactions") are subject to the super-majority voting provisions of Article Sixth:

(i) any merger or consolidation of People’s Liberation or any of our subsidiaries with or into such Interested Stockholder;

(ii) any sale, lease, exchange or other disposition of all or any substantial part of our assets or any of our subsidiaries to or with such Interested Stockholder;

(iii) the issuance or delivery of any of our voting securities or those of any of our subsidiaries to such Interested Stockholder in exchange for cash, other assets or securities, or a combination thereof, or

(iv) any dissolution or liquidation of this corporation.

An exception to the super-majority voting provisions of Article Sixth exists, which permits us to engage in any of the Restricted Transactions with an Interested Stockholder if our Board of Directors first approved of the transaction with the corporation, person or entity before they become an Interested Stockholder. This exception, however, is very limited, in that it requires the Board of Directors to approve a Restricted Transaction, the terms of which may not be known or even contemplated, at the time the Interested Stockholder acquires beneficial ownership of five percent or more of our outstanding voting securities.
DESCRIPTION OF ARTICLE EIGHTH

Article Eighth of our Certificate of Incorporation provides additional limitations on our ability to engage in Restricted Transactions, even if such transactions are approved by our Board of Directors or stockholders in accordance with Article Sixth.

Article Eighth provides that we may not engage in a Restricted Transaction with an Interested Stockholder unless:

(i) The cash or fair market value of the property, securities or other consideration to be received per share by holders of our capital stock in the Restricted Transaction is not less than the highest per share price paid by the Interested Stockholder or by any persons whose stock it beneficially owns or controls in acquiring any of its or their holdings of capital stock of this corporation;

(ii) After becoming an Interested Stockholder and prior to consummation of the Restricted Transaction: (a) such Interested Stockholder shall not have acquired from us or any of our subsidiaries newly issued or treasury shares of capital stock or any newly issued securities convertible into our capital stock or any of our subsidiaries, directly or indirectly (except upon conversion of convertible securities acquired by it prior to becoming an Interested Stockholder or as a result of a pro rata stock dividend or stock split or other distribution of stock to all shareholders pro rata); (b) such Interested Stockholder shall not have received the benefit directly or indirectly (except proportionately as a stockholder) of any loans, advances, guarantees, pledges or other financial assistance or tax credits provided by us or any of our subsidiaries, or made any major changes in our or any of our subsidiaries, businesses or capital structures or reduced the current rate of dividends payable on our capital stock below the rate in effect immediately prior to the time such Interested Stockholder became an Interested Stockholder; and (c) such Interested Stockholder shall have taken all required actions to ensure our Board includes representation by "continuing directors" at least proportionate to the stockholdings of our remaining public stockholders (with a continuing director to occupy any board position resulting from a fraction and, in any event, with at least one continuing director to serve on the board so long as there are any remaining public stockholders); and

(iii) A proxy statement responsive to the requirements of the Securities Exchange Act of 1934, as amended, is mailed to the stockholders of this corporation for the purpose of soliciting stockholder approval of such Restricted Transaction which contains at the front of the document, in a prominent place, any recommendations as to the advisability or inadvisability of the action or transaction which the continuing directors may choose to state.

The requirements listed above do not apply to any Restricted Transaction if our Board of Directors approved the Restricted Transaction before any corporation, person or entity became an Interested Stockholder.

For purposes of Article Eighth, the term "continuing director" means a director who was a member of our board of directors immediately prior to the time that any Interested Stockholder involved in the proposed action or transaction became an Interested Stockholder or a director nominated by a majority of the remaining continuing directors; and the term "remaining public stockholders" means the holders of our capital stock other than the Interested Stockholder and stockholders whose shares the Interested Stockholder beneficially owns or controls.
REASONS FOR ELIMINATION OF ARTICLE SIXTH AND ARTICLE EIGHTH

THE PROVISIONS IMPOSE SIGNIFICANT RESTRICTIONS AND COSTS ON THE COMPANY AND GIVE CERTAIN SHAREHOLDERS A VETO RIGHT

Articles Sixth and Eighth of our Certificate of Incorporation impose significant restrictions on our ability to engage in a multitude of transactions with existing and future stockholders of the company, including transactions that our Board of Directors have determined are in the best interests of the company and our stockholders.

For instance, the super-majority requirement contained in Article Sixth places in considerable doubt the ultimate approval of a Restricted Transaction. As a small, micro-cap company, obtaining the requisite vote of 80% of our stockholders is difficult, and there is no guarantee that we will be able to obtain the approval of our shareholders for a Restricted Transaction which the Board concludes is otherwise in the best interests of our stockholders. In addition, the considerable doubt surrounding whether a Restricted Transaction will be approved has the effect of deterring an Interested Stockholder from pursuing a Restricted Transaction in the first place. The mere existence of the voting requirement may preclude a Restricted Transaction, even if it ultimately would be approved by at least 80% of our stockholders. Third parties may not be willing to move forward with the uncertainty inherent in such a high voting requirement.

The high voting requirement also gives a small minority of stockholders the ability to veto a transaction desired by the substantial majority of our outstanding voting securities. The approval of any party beneficially owning 20% or more of our common stock is required to approve all Restricted Transactions as a consequence of Article Sixth and Article Eighth. Therefore, Article Sixth and Article Eighth provide stockholders holding 20% or more of our outstanding common stock with considerable negotiating power and leverage over us in the event that we desire to proceed with a Restricted Transaction. Currently, these provisions give both our Chief Executive Officer, Colin Dyne, and Gerard Guez the ability to veto a transaction, as they beneficially own 21.5% and 29.7% of our common stock, respectively.

In addition to hindering our ability to engage in transactions as a result of the super-majority voting requirement, Article Sixth and Article Eighth are also financially burdensome to us. For example, if we desire to proceed with a Restricted Transaction, we will need to incur additional costs associated with convening a shareholder meeting. These costs include the hiring of professional advisors, the preparation, filing and mailing of a proxy statement, and the need to hire proxy solicitation firms to ensure a high turnout of company stockholders which is necessary to approve the transaction.

STOCKHOLDERS WILL STILL HAVE SIGNIFICANT PROTECTIONS AFTER THE ELIMINATION OF ARTICLE SIXTH AND ARTICLE EIGHTH

After the elimination of Articles Sixth and Eighth, stockholders will still have anti-takeover protections afforded under Delaware law and the company's internal policies governing approval of related party transactions.

(a) FIDUCIARY DUTIES OWED BY DIRECTORS

Under Delaware law, the Board owes fiduciary duties of care and loyalty to all stockholders, and will not approve any transaction, including a transaction with an Interested Stockholder, without first satisfying these fundamental duties.

The duty of care requires that directors inform themselves of all material information reasonably available before making a business decision. This duty also requires directors to inform themselves of alternatives to a proposed business decision or transaction. The more important that any decision is to the corporation
and its stockholders, the greater the need is for directors to consider additional information and alternatives. Once a director has become adequately informed, the director must act with the requisite care in performing his or her duties.

The "duty of loyalty" requires that a director act in good faith, in a manner the director reasonably believes to be in or not opposed to the best interests of the corporation and its stockholders. There are three components to the duty of loyalty. This first is that a director should act to the extent possible in a disinterested manner, which means not being influenced by any financial or personal interest in the matter under consideration. The second is full disclosure of possible financial or personal interests in any matter under consideration. The third is substantive fairness. This means that the decision or transaction should be "fair to the corporation."

A fiduciary duty is the highest duty known at law. When in doubt, courts will usually enforce the duty against the fiduciary, which can result in severe penalties including fines, imprisonment, and such other remedies as a court deems appropriate. The fiduciary duties under Delaware law ensure that our Board will not approve a transaction, including a transaction with an Interested Stockholder, without sufficient diligence, inquiry, and care.

(b) CODE OF ETHICAL CONDUCT.

We have adopted a Code of Ethical Conduct which applies to our directors, officers, and employees. Our Code of Ethical Conduct is intended to provide a clear understanding of the ethical principles of business conduct expected of each of the aforementioned persons, and we view compliance with these standards as vital to the integrity and continued well being of our business and our employees. Because members of our Board have a special responsibility to the company, to avoid conflicts of interest (and to satisfy their fiduciary duties to the company and its stockholders), directors are expected to disclose to their fellow directors any personal interest they may have in a transaction, including any Restricted Transaction, upon which the Board passes and to recuse themselves from participation in any decision in which there is a conflict between their personal interests and the interest of the company.

(c) SECTION 203 OF THE GENERAL CORPORATION LAW OF THE STATE OF DELAWARE.

Section 203 contains similar provisions to Article Sixth and Article Eighth which are designed to prevent significant stockholders from engaging in transactions with the company without Board involvement. In general, Section 203 provides, with some exceptions, that a Delaware corporation may not engage in any of a broad range of business combinations with a person or affiliate, or associate of the person, who is an "interested stockholder" for a period of three years from the date that the person became an interested stockholder. An "interested stockholder" means any person that is (a) the owner of 15% or more of the outstanding voting stock of the corporation or (b) an affiliate or associate of the corporation and was the owner of 15% or more of the outstanding voting stock of the corporation at any time within the three-year period immediately prior to the date on which it is sought to be determined whether the person is an interested stockholder.

The three year moratorium imposed on business combinations by Section 203 does not apply if: (i) the transaction resulting in a person becoming an interested stockholder, or the business combination, is approved by the board of directors of the corporation before the person becomes an interested stockholder; (ii) the interested stockholder acquires 85% or more of the outstanding voting stock of the corporation in the same transaction that makes it an interested stockholder, excluding shares owned by persons who are both officers and directors of the corporation, and shares held by some employee stock ownership plans; or (iii) on or after the date the person becomes an interested stockholder, the business combination is approved by the corporation's board of directors and by the holders of at least 66 2/3% of the corporation's outstanding voting stock at an annual or special meeting, excluding shares owned by the interested stockholder.
Although similar to Article Sixth and Article Eighth, Section 203 differs from the provisions contained in our Certificate of Incorporation in several important ways. Most importantly, Section 203 does not apply to business combinations if the transaction resulting in a person becoming an interested stockholder was approved by the board of directors of the corporation before the person became an interested stockholder. In contrast, Articles Sixth and Eighth eliminate Board discretion, which significantly undermines the ability of the company to enter into a multitude of transactions that may otherwise be desirable.

Section 203 is also significantly different than Articles Sixth and Eighth as Section 203 applies to stockholders owning at least 15% (or having owned at least 15%) of the outstanding voting stock of the corporation. This threshold is much more realistic than the 5% threshold contained in Articles Sixth and Eighth, especially for a closely held company like ours where it is not unusual to have stockholders which own more than 5% of the company’s outstanding securities.

EXAMPLES OF TRANSACTIONS HINDERED BY ARTICLE SIXTH AND ARTICLE EIGHTH

There are many instances in which we may desire to enter into a Restricted Transaction with an Interested Stockholder for legitimate business purposes as determined by our Board of Directors. For instance, we may desire to:

(i) sell additional equity to an existing stockholder who holds 5% or more of our outstanding common stock, as it is common for a company to seek capital from stockholders who have a significant equity stake in the company;

(ii) issue options and other equity compensation to holders of 5% or more of our outstanding common stock, including our Chief Executive Officer, Colin Dyne;

(iii) enter into a joint venture with a third party which is coupled with a 5% or greater upfront equity investment by the third party in the company, and leave available the opportunity to consummate a Restricted Transaction with that joint venture partner at a later date.

We could not consummate the aforementioned transactions without first obtaining the approval of the holders of 80% of our outstanding common stock. This may preclude us from engaging in transactions that are in our best interests as well as those of our stockholders.

SUMMARY

In general, although Article Sixth and Article Eighth of our Certificate of Incorporation are designed to discourage accumulations of blocks of stock by third parties who wish to gain control of the Company and to prevent transactions with affiliates, the provisions contained in our Certificate of Incorporation are far more restrictive than those required by law. These provisions deprive stockholders of opportunities to realize a premium on the shares of common stock owned by them and deprive the company of the ability to engage in legitimate transactions that our board has determined are in the best interests of our stockholders, all of which may also adversely affect the prevailing market price of our common stock. If our stockholders approve the elimination of Article Sixth and Eighth, stockholders will retain the benefits of the fiduciary duties owed by directors under Delaware law as well as the protections afforded by Section 203 of the Delaware General Corporation Law and by our Code of Ethical Conduct. In combination, these laws and regulations ensure that Restricted Transactions will only be approved if it is in the best interests of the company and its stockholders.

For the above reasons, our Board of Directors has determined that it is in the best interests of our stockholders to eliminate Articles Sixth and Eighth of our Amended and Restated Certificate of Incorporation.
The affirmative vote of the holders of eighty (80) percent of our outstanding shares will be required to amend the Company's Certificate of Incorporation to eliminate Article Sixth and Article Eighth, and amend Article Seventh to eliminate reference to Article Sixth and Article Eighth. Because brokers are not permitted to vote on this proposal in the absence of voting instructions from beneficial owners, broker non-votes will have the effect of negative votes. Abstentions also will have the effect of negative votes.

Holders of our common stock who beneficially own greater than 5% of our outstanding capital stock, which includes our Chief Executive Officer, Colin Dyne, have an interest in this proposal since the elimination of Article Sixth and Article Eighth will increase their opportunity to enter into strategic transactions with us.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE PROPOSED AMENDMENTS TO OUR CERTIFICATE OF INCORPORATION.
The Board of Directors has approved an amendment (the "Plan Amendment") to the People's Liberation, Inc. 2005 Stock Incentive Plan to increase the number of shares of common stock available for issuance under the plan from 3,500,000 shares to 5,500,000 shares. The 2005 Stock Incentive Plan, as proposed to be amended, is attached hereto as Appendix B. The Plan Amendment is being submitted to the company's stockholders for approval.

The Board of Directors approved the Plan Amendment to ensure that a sufficient number of shares of common stock are available for issuance under the 2005 Stock Incentive Plan. At April 21, 2008, 1,257,000 shares remained available for grants of awards under the 2005 Stock Incentive Plan. The Board of Directors believes that the ability to grant stock-based awards is important to our future success. The grant of stock options and other stock-based awards can motivate high levels of performance and provide an effective means of recognizing employee contributions to our success. In addition, stock-based compensation can be valuable in recruiting and retaining highly qualified technical and other key personnel who are in great demand as well as rewarding and providing incentives to our current employees. The increase in the number of shares available for awards under the 2005 Stock Incentive Plan will enable us to continue to realize the benefits of granting stock-based compensation.

At April 21, 2008, the last reported sales price of our common stock on the Over-The-Counter Bulletin Board was $0.40 per share.

SUMMARY OF THE 2005 STOCK INCENTIVE PLAN

The principal terms and provisions of the 2005 Stock Incentive Plan are summarized below. As a summary, the description below is not a complete description of all of the terms of the 2005 Stock Incentive Plan and is qualified in its entirety by reference to the full text of the 2005 Stock Incentive Plan, as proposed to be amended, which is appended as Appendix B to this Proxy Statement.

TYPES OF AWARDS. Both incentive stock options, or ISOs, and nonqualified stock options, or NSOs, may be granted under the 2005 Stock Incentive Plan. ISOs receive favorable tax treatment on exercise, and may receive favorable tax treatment on a qualifying disposition of the underlying shares. However, ISOs must comply with certain requirements regarding exercise price, maximum term and post termination exercise period, and must be issued under a shareholder-approved plan. NSOs are not subject to these requirements, nor may they receive this favorable tax treatment upon exercise. The 2005 Stock Incentive Plan also permits the grant of stock purchase rights whereby the recipient is permitted the right to purchase shares reserved under the plan for a period of time.

NUMBER OF SHARES. Subject to adjustment as described herein, the number of shares of common stock that would be available for grant of stock options under the 2005 Stock Incentive Plan is 5,500,000, less 2,243,000 shares of common stock that already have been issued under the plan. There are no additional shares of common stock that have been reserved for issuance pursuant to outstanding awards under the plan.

ADMINISTRATION. The 2005 Stock Incentive Plan is administered by the Board of Directors. The Board of Directors has the authority to select the eligible participants to whom awards are granted, to determine the types of awards and the number of shares covered and to set the terms, conditions and provisions of such awards, to cancel or suspend awards under certain conditions, and to accelerate the exercisability of awards. The Board is authorized to interpret the 2005 Stock Incentive Plan, to establish, amend, and rescind any rules and regulations relating to the 2005 Stock Incentive Plan, to determine the terms of agreements entered into with recipients under the 2005 Stock Incentive Plan, and to make all other determinations which may be necessary or advisable for the administration of the 2005 Stock Incentive Plan.
ELIGIBILITY. Options and rights to purchase shares may be granted under the 2005 Stock Incentive Plan to officers, directors, employees and consultants of the company and its subsidiaries, as the Board from time to time selects.

STOCK OPTION GRANTS. The exercise price per share of common stock purchasable under any stock option will be determined by the Board, but cannot in any event be less than 100% of the fair market value of the common stock on the date the option is granted. The Board shall determine the term of each stock option (subject to a maximum of 10 years) and each option will be exercisable pursuant to a vesting schedule determined by the Board. The grants and the terms of ISOs shall be restricted to the extent required for qualification as ISOs by the Code. Subject to approval of the Board, options may be exercised by payment of the exercise price in cash, shares of common stock, which have been held for at least six months, or pursuant to a "cashless exercise" through a broker-dealer under an arrangement approved by us. We may require the grantee to pay to us any applicable withholding taxes that we are required to withhold with respect to the grant or exercise of any award. The withholding tax may be paid in cash or, subject to applicable law, the Board may permit the grantee to satisfy such obligations by the withholding or delivery of shares of common stock. We may withhold from any shares of common stock issuable pursuant to an option or from any cash amounts otherwise due from us to the recipient of the award an amount equal to such taxes.

STOCK PURCHASE RIGHTS. An award or sale of shares of stock under the 2005 Stock Incentive Plan (other than upon exercise of an option) will be evidenced by a Stock Purchase Agreement, and will be subject to all applicable provisions of the 2005 Stock Incentive Plan and may be subject to any other terms and conditions which the Board deems appropriate for inclusion in a Stock Purchase Agreement. Each Stock Purchase Agreement will state the price at which the stock subject to such agreement may be purchased. The purchase price will be no less than 100% of the fair market value of the shares of stock on either the date of grant or the date of the purchase right, and will be determined by the Board. Unless otherwise provided in the Stock Purchase Agreement, any right to acquire shares of stock under the 2005 Stock Incentive Plan (other than an option) will automatically expire if not exercised by the purchaser within 30 days after the grant of such right was communicated to the purchaser by the Company. As a condition to the purchase of shares, the purchaser will make such arrangements as the Board may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such purchase.

ADJUSTMENTS. In the event of any change affecting the shares of common stock by reason of any stock dividend or split, recapitalization, merger, consolidation, spin-off, combination or exchange of shares or other similar corporate change, or any distribution to shareholders other than cash dividends, the Board shall make such substitution or adjustment in the aggregate number of shares which may be distributed under the 2005 Stock Incentive Plan and in the number and option price as it deems to be appropriate in order to maintain the purpose of the original grant.

TRANSFERABILITY. No option will be assignable or otherwise transferable by the grantee other than by will or the laws of descent and distribution and, during the grantee's lifetime, an option may be exercised only by the grantee.

TERMINATION OF SERVICE. If a grantee's service to the company terminates on account of death, disability or retirement, then the grantee's unexercised options, if exercisable immediately prior to the grantee's death, disability or retirement, may be exercised in whole or in part, not later than one year after such event. If a grantee's service to the company terminates for cause, then the grantee's unexercised option terminates effective immediately upon such termination. If a grantee's service to the company terminates for any other reason, then the grantee's unexercised options, to the extent exercisable
immediately prior to such termination, shall remain exercisable, and may be exercised in whole or in part, for a period of three months after such termination of employment

CHANGE OF CONTROL AND CERTAIN CORPORATE TRANSACTIONS. Generally, a "Change of Control" shall mean (i) the consummation of a merger or consolidation of the Company with or into another entity or any other corporate reorganization, if more than 80% of the combined voting power (which voting power shall be calculated by assuming the conversion of all equity securities convertible (immediately or at some future time) into shares entitled to vote, but not assuming the exercise of any warrant or right to subscribe to or purchase those shares) of the continuing or surviving entity's securities outstanding immediately after such merger, consolidation or other reorganization is owned, directly or indirectly, by persons who were not shareholders of the Company immediately prior to such merger, consolidation or other reorganization; provided, however, that in making the determination of ownership by the shareholders of the Company, immediately after the reorganization, equity securities which persons own immediately before the reorganization as shareholders of another party to the transaction shall be disregarded; or (ii) the sale, transfer or other disposition of all or substantially all of the Company's assets.

A transaction shall not constitute a Change of Control if its sole purpose is to change the state of the Company's incorporation or to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction.

If a Change of Control occurs, the Board will determine, in its sole discretion, whether to accelerate any vested or unvested portion of any option grant. Additionally, if a Change of Control occurs, any agreement between the Company and any other party to the Change of Control may provide for (1) the continuation of any outstanding awards, (2) the assumption of the 2005 Stock Incentive Plan or any awards by the surviving corporation or any of its affiliates, (3) cancellation of awards and substitution of other awards with substantially the same terms or economic value as the cancelled awards, or (4) cancellation of any vested or unvested portion of awards, subject to providing notice to the option holder.

LOANS AND GUARANTEES. Subject to applicable law, the Board has sole discretion to allow a grantee to defer payment to the Company of all or part of the option price or to cause the Company to loan or guarantee a third-party loan, to the grantee for all or part of the option price or all or part of the taxes resulting from the exercise of an award.

AMENDMENT AND TERMINATION. The Board of Directors may amend the 2005 Stock Incentive Plan in any and all respects without shareholder approval, except as such shareholder approval may be required pursuant to the listing requirements of any national market system or securities exchange on which the Company's equity securities are listed. Unless sooner terminated by the Board of Directors, the 2005 Stock Incentive Plan will terminate on November 22, 2015.

FEDERAL INCOME TAX CONSEQUENCES

The following is a general discussion of the principal United States federal income tax consequences of incentive stock options, or ISOs, within the meaning of Section 422 of the United States Internal Revenue Code, and nonstatutory stock options, or NSOs, based upon the Code and the Treasury Regulations promulgated thereunder, all of which are subject to modification at any time. The 2005 Plan does not constitute a qualified retirement plan under Section 401(a) of the Internal Revenue Code (which generally covers trusts forming part of a stock bonus, pension or profit sharing plan funded by employer and/or employee contributions which are designed to provide retirement benefits to participants under certain circumstances) and is not subject to the Employee Retirement Income Security Act of 1974 (the pension reform law which regulates most types of privately funded pension, profit sharing and other employee benefit plans).
Generally, no federal income tax is payable by a participant upon the grant of a stock option, and we are not entitled to a deduction. If a participant exercises an NSO, he or she will have taxable income equal to the difference between the market price of the common stock on the exercise date and the stock option exercise price. We will be entitled to a corresponding deduction on our income tax return. A participant will not have any taxable income upon exercising an ISO (except that the alternative minimum tax may apply), and we will not receive a deduction when an ISO is exercised. The tax treatment for a participant of a disposition of shares acquired through the exercise of an option depends on how long the shares were held and on whether the shares were acquired by exercising an ISO or an NSO. We may be entitled to a deduction in the case of a disposition of shares acquired pursuant to the exercise of an ISO before the applicable holding periods have been satisfied.

EFFECT OF SECTION 16(B) OF THE SECURITIES EXCHANGE ACT OF 1934

The acquisition and disposition of common stock by officers, directors and more than 10% shareholders (referred to as insiders) pursuant to awards granted to them under the 2005 Stock Incentive Plan may be subject to Section 16(b) of the Securities Exchange Act of 1934. Pursuant to Section 16(b), a purchase of common stock by an insider within six months before or after a sale of common stock by the insider could result in recovery by us of all or a portion of any amount by which the sale proceeds exceed the purchase price. Insiders are required to file reports of changes in beneficial ownership under Section 16(a) of the Securities Exchange Act of 1934 upon acquisitions and dispositions of shares. Rule 16b-3 provides an exemption from Section 16(b) liability for certain transactions pursuant to certain employee benefit plans. The 2005 Stock Incentive Plan is designed to comply with Rule 16b-3.

NEW PLAN BENEFITS

Because awards under the 2005 Stock Incentive Plan are discretionary, benefits or amounts that will hereinafter be received by or allocated to the named executive officers, all current executive officers as a group, the non-executive directors as a group, and all employees who are not executive officers, are not presently determinable.

VOTE REQUIRED AND RECOMMENDATION

The affirmative vote of a majority of the votes cast on this proposal, in person or by proxy, will be required to amend the 2005 Stock Incentive Plan to increase the number of shares reserved for issuance thereunder. Because brokers are not permitted to vote on this proposal in the absence of voting instructions from beneficial owners, broker non-votes will not be counted or deemed present or represented for determining whether stockholders have approved this proposal. Abstentions will have the effect of negative votes.

The Board of Directors and our executive officers have an interest in this proposal as they may receive awards under the 2005 Stock Incentive Plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE AMENDMENT TO INCREASE THE SHARES RESERVED UNDER THE 2005 STOCK INCENTIVE PLAN BY 2,000,000 SHARES.
SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires that our executive officers and directors, and persons who own more than ten percent of a registered class of our equity securities, file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent stockholders are required by SEC regulations to furnish us with all Section 16(a) forms they file. Based solely on our review of the copies of the forms received by us and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that, during the year ended December 31, 2007, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements, except for Dean Oakey, who did not timely file a Form 4 to report one transaction and Kenneth Wengrod, who did not timely file a Form 4 to report one transaction.

STOCKHOLDER PROPOSALS

Any stockholder who intends to present a proposal at the 2009 Annual Meeting of Stockholders for inclusion in the Company's Proxy Statement and Proxy form relating to such Annual Meeting must submit such proposal to the Company at its principal executive offices by February 4, 2009. In addition, in the event a stockholder proposal is not received by the Company by April 20, 2009, the Proxy to be solicited by the Board of Directors for the 2009 Annual Meeting will confer discretionary authority on the holders of the Proxy to vote the shares if the proposal is presented at the 2009 Annual Meeting without any discussion of the proposal in the Proxy Statement for such meeting.

SEC rules and regulations provide that if the date of the Company's 2009 Annual Meeting is advanced or delayed more than 30 days from the date of the 2008 Annual Meeting, stockholder proposals intended to be included in the proxy materials for the 2009 Annual Meeting must be received by the Company within a reasonable time before the Company begins to print and mail the proxy materials for the 2009 Annual Meeting. Upon determination by the Company that the date of the 2009 Annual Meeting will be advanced or delayed by more than 30 days from the date of the 2008 Annual Meeting, the Company will disclose such change in the earliest possible Quarterly Report on Form 10-Q.

SOLICITATION OF PROXIES

It is expected that the solicitation of Proxies will be by mail. The cost of solicitation by management will be borne by the Company. The Company will reimburse brokerage firms and other persons representing beneficial owners of shares for their reasonable disbursements in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors and officers, without additional compensation, personally or by mail, telephone, telegram or otherwise.
ANNUAL REPORT ON FORM 10-KSB

THE COMPANY'S ANNUAL REPORT ON FORM 10-KSB, WHICH HAS BEEN FILED WITH THE SECURITIES AND EXCHANGE COMMISSION FOR THE YEAR ENDED DECEMBER 31, 2007, WILL BE MADE AVAILABLE TO STOCKHOLDERS WITHOUT CHARGE UPON WRITTEN REQUEST TO PEOPLE'S LIBERATION, INC., 150 WEST JEFFERSON BOULEVARD, LOS ANGELES, CALIFORNIA 90007 ATTN: DARRYN BARBER.

FOURTH.

A. CAPITAL STOCK.

B. AUTHORIZATION OF BOARD OF DIRECTORS TO ESTABLISH SERIES OF PREFERRED STOCK AND FIX CONSIDERATION THEREFORE.

The board of directors is hereby expressly authorized, within the limitations and restrictions stated herein from time to time, by resolution:

(i) to divide the Preferred Stock into series;

(ii) to fix the consideration for which such Preferred Stock shall be issued;

(iii) to determine the voting powers of each series of Preferred Stock;
(iv) to determine and fix the number of shares which will constitute any series of Preferred Stock and the distinctive designation of each series;

(v) to make any series of Preferred Stock subject to redemption at such time or times and at such price or prices as shall be stated and expressed in such resolution;

(vii) to fix the rights of the holders of shares of each series of the Preferred Stock to receive dividends at such rates, on such conditions and at such times as shall be stated and expressed in the resolution and whether payable in preference to, or in relation to, the dividends payable on any other class or classes of stock or other series of the same class and whether cumulative or non-cumulative as shall be so stated and expressed;

C. RANK.

Each series of Preferred Stock shall have such preferences as to dividends and assets and amounts distributable on liquidation, dissolution or winding up or otherwise as shall be declared by such resolution or resolutions establishing such series.

D. DIVIDENDS.

(i) The holders of Preferred Stock shall be entitled to receive cash dividends when and as declared by the board of directors at such rate per share per annum, cumulatively if so provided, and with such preferences, as shall have been fixed by the board of directors, and not more, before any dividends shall be declared or paid upon or set apart for the Common Stock or any other class of stock ranking junior thereto, and such dividends on each series of Preferred Stock shall cumulate, if any, to the end of the then current dividend period. Unpaid cumulated dividends shall bear no interest.

(ii) If dividends on any shares of Preferred Stock are not declared in full, then such dividends as are declared shall be declared ratably on all shares of stock of each series of equal preference in proportion to the respective unpaid cumulative dividends, if any, to the end of the then current dividend period. No ratable distribution shall be made with respect to any series until cumulative dividends in full have been declared and paid on any series standing senior in preference.
Unless dividends on all outstanding shares of Preferred Stock having cumulative dividend rights shall have been fully paid for all past quarterly dividend periods and the full dividends thereon for the quarterly dividend period current at the time shall have been paid or declared and funds set apart therefor, and unless all required sinking fund payments, if any, shall have been made or provided for, no dividend (except a dividend payable in Common Stock) shall be paid upon or declared or set apart for the Common Stock.

Subject to the foregoing provisions, the board of directors may declare and pay dividends on the Common Stock, to the extent permitted by law.

E. LIQUIDATION OR DISSOLUTION.

(i) In the event of any liquidation or dissolution or winding up of this Corporation (hereinafter referred to as "liquidation") the holders of Preferred Stock shall be entitled to receive in cash, out of the assets of this Corporation, full payment of the applicable liquidation preference fixed for each series pursuant to paragraph B above, together with unpaid cumulative dividends thereon to the date of liquidation, and no more.

(ii) If upon liquidation the assets of this Corporation available for distribution to stockholders shall be insufficient to permit the payment in full of the preferential amounts payable to the holders of Preferred Stock, then all assets shall be distributed ratably among the holders of all shares of stock of each series of equal preference in proportion to the respective amounts that would be payable per share if such assets were sufficient to permit payment in full. No ratable distribution shall be made with respect to any series until distributions in full have been paid to the holders of all series standing senior in preference.

(iii) After satisfaction of the preferential requirements of the Preferred Stock upon any liquidation of this Corporation, the holders of Common Stock shall be entitled to share ratably in the distribution of all remaining assets of this Corporation available for distribution.

(iv) A consolidation or merger of this Corporation with or into any other corporation or corporations or the sale or conveyance (whether for cash, securities or other property) of all or substantially all of the assets of this Corporation as an entirety shall not be deemed or construed to be a liquidation of this Corporation for the purpose of the foregoing provisions of this paragraph E.

F. VOTING RIGHTS.

The holders of the Common Stock shall be entitled to one vote for each share held by them of record on the books of this Corporation. The holders of each series of Preferred Stock shall have such voting rights, if any, as shall be provided for in the resolution or resolutions of the board of directors establishing such series.

FIFTH.

A. NUMBER OF DIRECTORS. The authorized number of directors shall be not less than two nor more than 15 and the board of directors may, within the limits specified by this Article Fifth, increase or decrease the exact number of directors from time to time by resolution duly adopted by such board. In case of any increase in the number of directors, the additional directors may be elected by the shareholders at an annual or special meeting, as provided in the bylaws.

B. CLASSES OF DIRECTORS. At the option of the board of directors, the directors shall be divided into three classes, designated Class I, Class II, and Class III as nearly equal in number as possible, and the term of office of
directors of one class shall expire at each annual meeting of stockholder, and
in all cases as to each director until his successor shall be elected and shall
qualify or until his earlier resignation, removal from office, death or
incapacity. Additional directorships resulting from an increase in the number of
directors shall be apportioned among the classes as equally as possible. In the
event of classification hereunder, at each annual meeting of stockholders the
number of directors equal to the number of directors of the class where term
expires at the time of such meeting (or, if less, the number of directors
properly nominated and qualified for election) shall be elected to hold office
until the third succeeding annual meeting of the stockholders after their
election.

C. VACANCIES. In case of any increase in the number of directors,
the additional directors may be elected by the board of directors to hold office
until the next election of directors or of the class for which such directors
shall have been chosen and until their successors are elected and qualified. In
case of vacancies in the board of directors, a majority of the remaining members
of the board may elect directors to fill such vacancies to hold office until the
next election of directors or of the class for which such directors shall have
been chosen and until their successors are elected and qualified.

D. DIRECTOR LIABILITY. No director shall have personal ability to
the Corporation or its stockholders for monetary damages for breach of fiduciary
duty as a director, provided that this provision shall not eliminate or limit
the liability of a director (i) for, any breach of the director's duty of
loyalty to the Corporation or its stockholders, (ii) for acts or omissions not
in good faith or which involve intentional misconduct or a knowing violation of
law, (iii) under section 174 of the Delaware General Corporation law or (iv) for
any transaction from which the director derived an improper personal benefit.

SIXTH. Intentionally omitted.

SEVENTH. The amendment or repeal of Articles Fifth, Seventh, Tenth and
paragraph F of Article Fourth of this Amended and Restated Certificate of
Incorporation shall require the approval of the holders of shares representing
at least 80% of the shares of this Corporation entitled to vote in the election
of directors, voting as one class.

stockholders, by the affirmative vote of at least two-thirds of the directors of
this Corporation, which shall include the affirmative vote of at least one
director of each class of the board of directors, if the board shall then be
divided into classes. The bylaws may also be altered, amended or repealed by the
affirmative vote of the holders of shares representing at least 80% of the
shares of this Corporation entitled to vote in the election of directors, voting
as one class.

of directors in addition to the foregoing and in addition to the powers and
authorities expressly conferred upon them by the laws of the State of Delaware.

directors, are hereby conferred upon the board of directors of this Corporation.

In the event that shares issued under the Plan are reacquired by the Company pursuant to the terms of any forfeiture provision or right of repurchase, such shares shall again be available for the purposes of the Plan.

SECTION 5: ELIGIBILITY

Eligible Persons who are selected by the Administrator shall be eligible to be granted Rights hereunder subject to limitations set forth in this Plan; PROVIDED, HOWEVER, that only Employees shall be eligible to be granted ISOs hereunder.

SECTION 6: TERMS AND CONDITIONS OF OPTIONS

6.1. STOCK OPTION AGREEMENT. Each grant of an Option under the Plan shall be evidenced by a Stock Option Agreement between the Optionee and the Company (the "STOCK OPTION AGREEMENT"). Such Option shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Administrator deems appropriate for inclusion in a Stock Option Agreement. The provisions of the various Stock Option Agreements entered into under the Plan need not be identical.

6.2. NUMBER OF SHARES. Each Stock Option Agreement shall specify the number of shares of Stock that are subject to the Option and shall provide for the adjustment of such number in accordance with SECTION 9, hereof. The Stock Option Agreement shall also specify whether the Option is an ISO or a Non-Qualified Stock Option.

6.3. EXERCISE PRICE.

6.3.1 IN GENERAL. Each Stock Option Agreement shall state the price at which shares subject to the Stock Option may be purchased (the "EXERCISE PRICE"), which shall be not less than 100% of the Fair Market Value of the Stock on the Date of Grant.

6.3.2 TEN PERCENT SHAREHOLDER. A Ten Percent Shareholder shall not be eligible for designation as an Optionee or Purchaser, unless (i) the Exercise Price of a Non-Qualified Stock Option is at least 110% of the Fair Market Value of a Share on the Date of Grant, or (ii) in the case of an ISO, the Exercise Price is at least 110% of the Fair Market Value of a Share on the Date of Grant and such ISO by its terms is not exercisable after the expiration of five years from the Date of Grant.

6.3.3 NON-APPLICABILITY. The Exercise Price restriction applicable to Non-Qualified Stock Options required by SECTIONS 6.3.1 and 6.3.2(I) shall be inoperative if a determination is made by counsel for the Company that such Exercise Price restrictions are not required in the circumstances under applicable federal or state securities laws.

6.3.4 PAYMENT. The Exercise Price shall be payable in a form described in SECTION 8 hereof.
6.4. WITHHOLDING TAXES. As a condition to the exercise of an Option, the Optionee shall make such arrangements as the Board may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such exercise or with the disposition of shares acquired by exercising an Option.

6.5. EXERCISABILITY. Each Stock Option Agreement shall specify the date when all or any installment of the Option becomes exercisable. In the case of an Optionee who is not an officer of the Company, a Director or a Consultant, an Option shall become exercisable at least as rapidly as 20% per year over the five-year period commencing on the Date of Grant. Subject to the preceding sentence, the exercise provisions of any Stock Option Agreement shall be determined by the Administrator, in its sole discretion.

6.6. TERM. The Stock Option Agreement shall specify the term of the Option. No Option shall be exercised after the expiration of ten years after the date the Option is granted. In the case of an ISO granted to a Ten Percent Shareholder, the ISO shall not be exercised after the expiration of five years after the date the ISO is granted. Unless otherwise provided in the Stock Option Agreement, no Option may be exercised (i) three months after the date the Optionee's Service with the Company, its Parent or its Subsidiaries terminates if such termination is for any reason other than death, Disability or Cause, (ii) one year after the date the Optionee's Service with the Company and its Subsidiaries terminates as a result of death or Disability, and (iii) if the Optionee's Service with the Company and its Subsidiaries terminates for Cause, all outstanding Options granted to such Optionee shall expire as of the commencement of business on the date of such termination. The Administrator may, in its sole discretion, waive the accelerated expiration provided for in (i) or (ii). Outstanding Options that are not vested at the time of termination of employment for any reason shall expire at the close of business on the date of such termination.

6.7. LEAVES OF ABSENCE. For purposes of SECTION 6.6 above, to the extent required by applicable law, Service shall be deemed to continue while the Optionee is on a bona fide leave of absence. To the extent applicable law does not require such a leave to be deemed to continue while the Optionee is on a bona fide leave of absence, such leave shall be deemed to continue if, and only if, expressly provided in writing by the Administrator or a duly authorized officer of the Company, Parent or Subsidiary for whom Optionee provides his or her services.

6.8. MODIFICATION, EXTENSION AND ASSUMPTION OF OPTIONS. Within the limitations of the Plan, the Administrator may modify, extend or assume outstanding Options (whether granted by the Company or another issuer) or may accept the cancellation of outstanding Options (whether granted by the Company or another issuer) in return for the grant of new Options for the same or a different number of shares and at the same or a different Exercise Price. Without limiting the foregoing, the Administrator may amend a previously granted Option to fully accelerate the exercise schedule of such Option (including without limitation, in connection with a Change in Control). The foregoing notwithstanding, no modification of an Option shall, without the consent of the Optionee, impair the Optionee's rights or increase the Optionee's obligations under such Option. However, a termination of the Option in which the Optionee receives a cash payment equal to the difference between the Fair Market Value and the Exercise Price for all shares subject to exercise under any outstanding Option shall not be deemed to impair any rights of the Optionee or increase the Optionee's obligations under such Option.

SECTION 7: TERMS AND CONDITIONS OF AWARDS OR SALES

7.1. STOCK PURCHASE AGREEMENT. Each award or sale of shares of Stock under the Plan (other than upon exercise of an Option) shall be evidenced by a Stock Purchase Agreement between the Purchaser and the Company. Such award or sale shall be subject to all applicable terms and conditions of the Plan and may be subject to any other terms and conditions which are not inconsistent with the Plan and which the Board deems appropriate for inclusion in a Stock Purchase Agreement. The provisions of the various Stock Purchase Agreements entered into under the Plan need not be identical.

7.2. DURATION OF OFFERS. Unless otherwise provided in the Stock Purchase Agreement, any right to acquire shares of Stock under the Plan (other than an Option) shall automatically expire if not exercised by the Purchaser within 30 days after the grant of such right was communicated to the Purchaser by the Company.
7.3. PURCHASE PRICE.

7.3.1 IN GENERAL. Each Stock Purchase Agreement shall state the price at which the Stock subject to such Stock Purchase Agreement may be purchased (the "PURCHASE PRICE"), which, with respect to Stock Purchase Rights, shall be determined in the sole discretion of the Administrator; PROVIDED, HOWEVER, that the Purchase Price shall be no less than 100% of the Fair Market Value of the shares of Stock on either the Date of Grant or the date of purchase of the Purchase Right.

7.3.2 TEN PERCENT STOCKHOLDERS. A Ten Percent Stockholder shall not be eligible for designation as a Purchaser unless the Purchase Price (if any) is at least 100% of the Fair Market Value of a Share.

7.3.3 NON APPLICABILITY. The Purchase Price restrictions required by Sections 7.3.1 and 7.3.2 shall be inoperative if a determination is made by counsel for the Company that such Purchase Price restrictions are not required in the circumstances under applicable federal or state securities laws.

7.3.4 PAYMENT OF PURCHASE PRICE. The Purchase Price shall be payable in a form described in Section 8.

7.4. WITHHOLDING TAXES. As a condition to the purchase of shares, the Purchaser shall make such arrangements as the Board may require for the satisfaction of any federal, state, local or foreign withholding tax obligations that may arise in connection with such purchase.

SECTION 8: PAYMENT; RESTRICTIONS

8.1. GENERAL RULE. The entire Purchase Price or Exercise Price of shares issued under the Plan shall be payable in full by, as applicable, cash or check for an amount equal to the aggregate Purchase Price or Exercise Price for the number of shares being purchased, or in the discretion of the Administrator, upon such terms as the Administrator shall approve, (i) in the case of an Option, by a copy of instructions to a broker directing such broker to sell the Stock for which such Option is exercised, and to remit to the Company the aggregate Exercise Price of such Options (a "CASHLESS EXERCISE"), (ii) in the case of an Option or a sale of Stock, by paying all or a portion of the Exercise Price or Purchase Price for the number of shares being purchased by tendering Stock owned by the Optionee, duly endorsed for transfer to the Company, with a Fair Market Value on the date of delivery equal to the aggregate Purchase Price of the Stock with respect to which such Option or portion thereof is thereby exercised or Stock acquired (a "STOCK-FOR-STOCK EXERCISE") or (iii) by a stock-for-stock exercise by means of attestation whereby the Optionee identifies for delivery specific shares of Stock already owned by Optionee and receives a number of shares of Stock equal to the difference between the Option shares thereby exercised and the identified attestation shares of Stock (an "ATTESTATION EXERCISE").

8.2. WITHHOLDING PAYMENT. The Purchase Price or Exercise Price shall include payment of the amount of all federal, state, local or other income, excise or employment taxes subject to withholding (if any) by the Company or any parent or subsidiary corporation as a result of the exercise of a Stock Option. The Optionee may pay all or a portion of the tax withholding by cash or check payable to the Company, or, at the discretion of the Administrator, upon such terms as the Administrator shall approve, by (i) cashless exercise or attestation exercise; (ii) stock-for-stock exercise; (iii) in the case of an Option, by paying all or a portion of the tax withholding for the number of shares being purchased by withholding shares from any transfer or payment to the Optionee ("STOCK WITHHOLDING"); or (iv) a combination of one or more of the foregoing payment methods. Any shares issued pursuant to the exercise of an Option and transferred by the Optionee to the Company for the purpose of satisfying any withholding obligation shall not again be available for purposes of the Plan. The Fair Market Value of the number of shares subject to Stock Withholding shall not exceed an amount equal to the applicable minimum required tax withholding rates.

8.3. SERVICES RENDERED. At the discretion of the Administrator, shares of Stock may be awarded under the Plan in consideration of services rendered to the Company, a Parent or a Subsidiary prior to the award.
8.4. PROMISSORY NOTE. To the extent that a Stock Option Agreement or Stock Purchase Agreement so provides, in the discretion of the Administrator, upon such terms as the Administrator shall approve, all or a portion of the Exercise Price or Purchase Price (as the case may be) of shares issued under the Plan may be paid with a full-recourse promissory note; PROVIDED, HOWEVER, that payment of any portion of the Exercise Price by promissory note shall not be permitted where such loan would be prohibited by applicable laws, regulations and rules of the Securities and Exchange Commission and any other governmental agency having jurisdiction. However, in the event there is a stated par value of the shares and applicable law requires, the par value of the shares, if newly issued, shall be paid in cash or cash equivalents. The shares shall be pledged as security for payment of the principal amount of the promissory note and interest thereon. The interest rate payable under the terms of the promissory note shall not be less than the minimum rate (if any) required to avoid the imputation of additional interest under the Code. Subject to the foregoing, the Administrator (at its sole discretion) shall specify the term, interest rate, amortization requirements (if any) and other provisions of such note. Unless the Administrator determines otherwise, shares of Stock having a Fair Market Value at least equal to the principal amount of the loan shall be pledged by the holder to the Company as security for payment of the unpaid balance of the loan and such pledge shall be evidenced by a pledge agreement, the terms of which shall be determined by the Administrator, in its discretion; PROVIDED, HOWEVER, that each loan shall comply with all applicable laws, regulations and rules of the Board of Governors of the Federal Reserve System and any other governmental agency having jurisdiction.

8.5. EXERCISE/PLEDGE. To the extent that a Stock Option Agreement or Stock Purchase Agreement so allows, in the discretion of the Administrator, upon such terms as the Administrator shall approve, payment may be made all or in part by the delivery (on a form prescribed by the Administrator) of an irrevocable direction to pledge shares to a securities broker or lender approved by the Company, as security for a loan, and to deliver all or part of the loan proceeds to the Company in payment of all or part of the Exercise Price and any withholding taxes.

8.6. WRITTEN NOTICE. The purchaser shall deliver a written notice to the Administrator requesting that the Company direct the transfer agent to issue to the purchaser (or to his designee) a certificate for the number of shares of Common Stock being exercised or purchased or, in the case of a cashless exercise or share withholding exercise, for any shares that were not sold in the cashless exercise or withheld.

8.7. REPURCHASE RIGHTS. Each Stock Purchase Agreement may provide that the Company may repurchase the Participant's Rights as provided in this SECTION 8.7 (the "REPURCHASE RIGHT").

   a. REPURCHASE PRICE. The Repurchase Right shall be exercisable at a price equal to the Purchase Price.

   b. EXERCISE OF REPURCHASE RIGHT. A Repurchase Right may be exercised only within 90 days after the termination of the Participant's Service for cash or for cancellation of indebtedness incurred in purchasing the shares; PROVIDED, HOWEVER, the Repurchase Right shall lapse at least as rapidly as to 20% of the Restricted Stock purchased hereunder each year over a period of five years from the date the Restricted Stock is purchased.

8.8. TERMINATION OF REPURCHASE RIGHT. Each Stock Purchase Agreement shall provide that the Repurchase Rights shall have no effect with respect to, or shall lapse and cease to have effect when a determination is made by counsel for the Company that such Repurchase Rights are not permitted under applicable federal or state securities laws.

8.9. NO TRANSFERABILITY. Except as provided herein, a Participant may not assign, sell or transfer Rights, in whole or in part, other than by will or by operation of the laws of descent and distribution.

8.9.1. PERMITTED TRANSFER OF NON-QUALIFIED OPTION. The Administrator, in its sole discretion may permit the transfer of a Non-Qualified Option (but not an ISO or Stock Purchase Right) as follows: (i) by gift to a member of the Participant's immediate family or (ii) by transfer by instrument to a trust providing that the Option is to be passed to beneficiaries upon death of the trustor (either or both (i) or (ii)
referred to as a "PERMITTED TRANSFEREE"). For purposes of this SECTION 8.9.1, "IMMEDIATE FAMILY" shall mean the Optionee's spouse (including a former spouse subject to terms of a domestic relations order); child, stepchild, grandchild, child-in-law; parent, stepparent, grandparent, parent-in-law; sibling and sibling-in-law, and shall include adoptive relationships.
8.9.2. CONDITIONS OF PERMITTED TRANSFER. A transfer permitted under this Section 8.9 hereof may be made only upon written notice to and approval thereof by Administrator. A Permitted Transferee may not further assign, sell or transfer the transferred Option, in whole or in part, other than by will or by operation of the laws of descent and distribution. A Permitted Transferee shall agree in writing to be bound by the provisions of this Plan.

SECTION 9: ADJUSTMENTS; MARKET STAND-OFF

9.1. EFFECT OF CERTAIN CHANGES.

9.1.1. STOCK DIVIDENDS, SPLITS, ETC. If there is any change in the number of outstanding shares of Stock by reason of a stock split, reverse stock split, stock dividend, recapitalization, combination or reclassification, then (i) the number of shares of Stock available for Rights, (ii) the number of shares of Stock covered by outstanding Rights and (iii) the Exercise Price or Purchase Price of any Stock Option or Purchase Right, in effect prior to such change, shall be proportionately adjusted by the Administrator to reflect any increase or decrease in the number of issued shares of Stock; provided, however, that any fractional shares resulting from the adjustment shall be eliminated.

9.1.2. LIQUIDATION, DISSOLUTION, MERGER OR CONSOLIDATION. In the event of a dissolution or liquidation of the Company, or any corporate separation or division, including, but not limited to, a split-up, a split-off or a spin-off, or a sale of substantially all of the assets of the Company; a merger or consolidation in which the Company is not the Surviving Entity; a reverse merger in which the Company is the Surviving Entity, but the shares of Company stock outstanding immediately preceding the merger are converted by virtue of the merger into other property, whether in the form of securities, cash or otherwise; or the transfer of more than 80% of the then outstanding voting stock of the Company to another person or entity, then, the Company, to the extent permitted by applicable law, but otherwise in its sole discretion may provide for: (i) the continuation of outstanding Rights by the Company (if the Company is the Surviving Entity); (ii) the assumption of the Plan and such outstanding Rights by the Surviving Entity or its parent; (iii) the substitution by the Surviving Entity or its parent of Rights with substantially the same terms for such outstanding Rights; or (iv) the cancellation of such outstanding Rights without payment of any consideration, provided that if such Rights would be canceled in accordance with the foregoing, the Participant shall have the right, exercisable during the later of the ten-day period ending on the fifth day prior to such merger or consolidation or ten days after the Administrator provides the Rights holder a notice of cancellation, to exercise the vested portion of such Rights in whole or in part, or, if provided for by the Administrator using its sole discretion in a notice of cancellation, to exercise such Rights in whole or in part without regard to any vesting provisions in the Rights agreement.

9.1.3. FURTHER ADJUSTMENTS. Subject to Section 9.1.2, the Administrator shall have the discretion, exercisable at any time before a sale, merger, consolidation, reorganization, liquidation or Change in Control, to take such further action as it determines to be necessary or advisable, and fair and equitable to Participants, with respect to Rights. Such authorized action may include (but shall not be limited to) establishing, amending or waiving the type, terms, conditions or duration of, or restrictions on, Rights
so as to provide for earlier, later, extended or additional time for exercise and other modifications, and the Administrator may take such actions with respect to all Participants, to certain categories of Participants or only to individual Participants. The Administrator may take such action before or after granting Rights to which the action relates and before or after any public announcement with respect to such sale, merger, consolidation, reorganization, liquidation or Change in Control that is the reason for such action.

9.1.4. PAR VALUE CHANGES. In the event of a change in the Stock of the Company as presently constituted which is limited to a change of all of its authorized shares with par value, into the same number of shares without par value, or a change in the par value, the shares resulting from any such change shall be "Stock" within the meaning of the Plan.

9.2. DECISION OF ADMINISTRATOR FINAL. To the extent that the foregoing adjustments relate to stock or securities of the Company, such adjustments shall be made by the Administrator, whose determination in that respect shall be final, binding and conclusive; PROVIDED, HOWEVER, that each ISO granted pursuant to the Plan shall not be adjusted in a manner that causes such Stock Option to fail to continue to qualify as an ISO without the prior consent of the Optionee thereof.
9.3. NO OTHER RIGHTS. Except as hereinbefore expressly provided in this SECTION 9, no Participant shall have any rights by reason of any subdivision or consolidation of shares of Company stock or the payment of any dividend or any other increase or decrease in the number of shares of Company stock of any class or by reason of any of the events described in SECTION 9.1, above, or any other issue by the Company of shares of stock of any class, or securities convertible into shares of stock of any class; and, except as provided in this SECTION 9, none of the foregoing events shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Stock subject to Rights. The grant of a Right pursuant to the Plan shall not affect in any way the right or power of the Company to make adjustments, reclassifications, reorganizations or changes of its capital or business structures or to merge or to consolidate or to dissolve, liquidate or sell, or transfer all or part of its business or assets.

9.4. MARKET STAND-OFF. Each Stock Option Agreement and Stock Purchase Agreement may provide that, in connection with any underwritten public offering by the Company of its equity securities pursuant to an effective registration statement filed under the Securities Act of 1933, as amended, the Participant shall agree not to sell, make any short sale of, loan, hypothecate, pledge, grant any option for the repurchase of, or otherwise dispose or transfer for value or otherwise agree to engage in any of the foregoing transactions with respect to any Stock without the prior written consent of the Company or its underwriters, for such period of time from and after the effective date of such registration statement as may be requested by the Company or such underwriters (the "MARKET STAND-OFF").

SECTION 10: AMENDMENT AND TERMINATION

The Board may amend, suspend or terminate the Plan at any time and for any reason. At the time of such amendment, the Board shall determine, upon advice from counsel, whether such amendment will be contingent on shareholder approval.

SECTION 11: GENERAL PROVISIONS

11.1. GENERAL RESTRICTIONS.

11.1.1. NO VIEW TO DISTRIBUTE. The Administrator may require each person acquiring shares of Stock pursuant to the Plan to represent to and agree with the Company in writing that such person is acquiring the shares without a view toward distribution thereof. The certificates for such shares may include any legend that the Administrator deems appropriate to reflect any restrictions on transfer.

11.1.2. LEGENDS. All certificates for shares of Stock delivered under the Plan shall be subject to such stop transfer orders and other restrictions as the Administrator may deem advisable under the rules, regulations and other requirements of the Securities and Exchange Commission, any stock exchange upon which the Stock is then listed and any applicable federal or state securities laws, and the Administrator may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

11.1.3. NO RIGHTS AS SHAREHOLDER. Except as specifically provided in this Plan, a Participant or a transferee of a Right shall have no rights as a shareholder with respect to any shares covered by the Rights until the date of the issuance of a Stock certificate to him or her for such shares, and no adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions of other rights for which the record date is prior to the date such Stock certificate is issued, except as provided in Section 9.1, hereof.

11.2. OTHER COMPENSATION ARRANGEMENTS. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.
11.3. DISQUALIFYING DISPOSITIONS. Any Participant who shall make a "DISPOSITION" (as defined in Section 424 of the Code) of all or any portion of an ISO within two years from the date of grant of such ISO or within one year after the issuance of the shares of Stock acquired upon exercise of such ISO shall be required to immediately advise the Company in writing as to the occurrence of the sale and the price realized upon the sale of such shares of Stock.
11.4. REGULATORY MATTERS. Each Stock Option Agreement and Stock Purchase Agreement shall provide that no shares shall be purchased or sold thereunder unless and until (i) any then applicable requirements of state or federal laws and regulatory agencies shall have been fully complied with to the satisfaction of the Company and its counsel and (ii) if required to do so by the Company, the Optionee or Offeree shall have executed and delivered to the Company a letter of investment intent in such form and containing such provisions as the Board or Committee may require.

11.5. RECAPITALIZATIONS. Each Stock Option Agreement and Stock Purchase Agreement shall contain provisions required to reflect the provisions of SECTION 9.

11.6. DELIVERY. Upon exercise of a Right granted under this Plan, the Company shall issue Stock or pay any amounts due within a reasonable period of time thereafter. Subject to any statutory obligations the Company may otherwise have, for purposes of this Plan, thirty days shall be considered a reasonable period of time.

11.7. OTHER PROVISIONS. The Stock Option Agreements and Stock Purchase Agreements authorized under the Plan may contain such other provisions not inconsistent with this Plan, including, without limitation, restrictions upon the exercise of the Rights, as the Administrator may deem advisable.

SECTION 12: INFORMATION TO PARTICIPANTS

To the extent necessary to comply with California law, the Company each year shall furnish to Participants its balance sheet and income statement unless such Participants are limited to key Employees whose duties with the Company assure them access to equivalent information.

SECTION 13: EFFECTIVE DATE OF PLAN

The effective date of this Plan is November 23, 2005. The adoption of the Plan is subject to approval by the Company's shareholders, which approval must be obtained within 12 months from the date the Plan is adopted by the Board. In the event that the shareholders fail to approve the Plan within 12 months after its adoption by the Board, any grants of Options or sales or awards of shares that have already occurred shall be rescinded, and no additional grants, sales or awards shall be made thereafter under the Plan.

SECTION 14: TERM OF PLAN

The Plan shall terminate automatically on November 22, 2015, but no later than prior to the 10th anniversary of the effective date. No Right shall be granted pursuant to the Plan after such date, but Rights theretofore granted may extend beyond that date. The Plan may be terminated on any earlier date pursuant to SECTION 10 hereof.

SECTION 15: EXECUTION

To record the adoption of the Plan by the Board, the Company has caused its authorized officer to execute the same as of November 23, 2005.
